NUMBER OF PARTICIPANTS BY PROGRAMME

Family Service

Objectives:

To provide professional and quality service in facilitating harmonious relationship within the family, so that members within the family can perform at their full potential in face of challenges. Basing upon Christ's love and starting from the family as a unit, promote mutual forgiveness, peaceful communication, and social inclusion within the society.

8 Integrated Family Service Centres	(No. of cases)	9,719

Special Education Service

Objectives: To provide vivid and effective learning programmes to students with special educational needs for their integral growth and development. The service aims at nurturing their civic responsibilities and character as well as realizing their physical, mental and social capabilities, such that they can integrate themselves into the community and lead a dignified living, and hence contribute to well-being of society.

• 5 Special Schools for Students with Intellectual Disabilities

(among which 3 are attached with a boarding section)

408 students + 127 five-day boarders + 17 seven-day boarders Capacity Total no. of students served 343 students + 111 five-day boarders + 17 seven-day boarders

• 1 Special School for Students with Social Development Difficulties

Capacity 150 students Total no. of students served 191 students

Vocational Training and Education Service

Secondary Education

Objectives: To offer secondary education for graduates of primary schools. Teenagers aged between 12 and 19 are given secondary education by providing a 6-year curriculum, consisting of ordinary and technical subjects in order to cater for their different abilities, aptitudes and inclinations.

8 Secondary Schools offering 6-year Secondary Education	Capacity	4,388
• 8 Secondary Schools offering 6-year Secondary Education	Capacity	4,388

Senior Secondary Education

Objectives: To provide students with alternative choices so that they can complete their secondary education in a way that best suits their academic abilities, aptitude and career needs. Joint programmes with the Caritas higher institutes are offered to give students further studies opportunities. Through collaborations with business enterprises, students are provided with work-based learning opportunities to upgrade their job skills and knowledge in career planning.

1 Direct Subsidy Scheme Senior Secondary School	Capacity	105
---	----------	-----

Apprentice Training

Objectives: To provide training for specific industry by giving an integration of workshop training and part-time day release courses offered by professional education institutes to teenagers aged 15 or above.

2 Apprentice Training Centres offering Training of Printing and Auto Repairs	Capacity	3
--	----------	---

Field Studies
