MESSAGE FROM THE CI PRESIDENT

Our dear brothers and sisters in Caritas Hong Kong,

The entire Caritas Confederation is delighted to celebrate with you today your 60th Anniversary! With blissful reminiscence of your 60 years of untiring service to our fellowmen, we share your happiness and your jubilation as you commemorate the founding of your institution!

**His Eminence
Oscar Andres Rodriguez Maradiaga**
Caritas Internationalis President

Congratulations for having adamantly and valiantly withstood the test of the times, despite the many challenges and difficulties that come your way during the many years that have passed since you were founded. You have proven to the rest of the world that the problems and social ills that continue to beset us to this day, can be properly dealt with and resolved, through your compassion for the poor and dedication towards the service of the vulnerable and the oppressed.

Your years of untiring service to our fellowmen continue to provide inspiration to our Caritas family, and to the many other institutions and organizations that you have so unselfishly served and touched. May the graces of the Lord continue to shine upon you, as you embarked on many more years of journeying with our fellowmen. May you continue to be the exemplar of dedicated service, and the bearer of God's love to humanity.

On behalf of the 165 member organizations of Caritas Internationalis, I convey our best wishes to you all! Happy Anniversary, Caritas Hong Kong!

In prayerful jubilation with you,

Oscar Andres Cardinal Rodriguez Maradiaga
President, Caritas Internationalis
